DRAFT

Amendment to Clallam Transit Fare Structure

Exhibit 1, Effective March 20, 2017

XII. Out-of-Boundary Service

A. Cash fares: Operators will accept exact cash fares only for one-way trips. Collection will begin immediately with the implementation of new service. Peninsula College student ID cards, Regional Summer Youth Passes and CTS passes are not valid forms of payment.

B. Fare Recovery Target: Fares will be set as recommended by staff to achieve a goal of not less than full cost recovery and approved by the Board. A reasonable estimate of the demand for service over the operational period will be a factor in setting the fares.

C. Single zone: All stops collect the same fare.
